———— NIVIDA AI VOICE AGENT ————

NEVER MISS A CALL, NEVER MISS A CUSTOMER

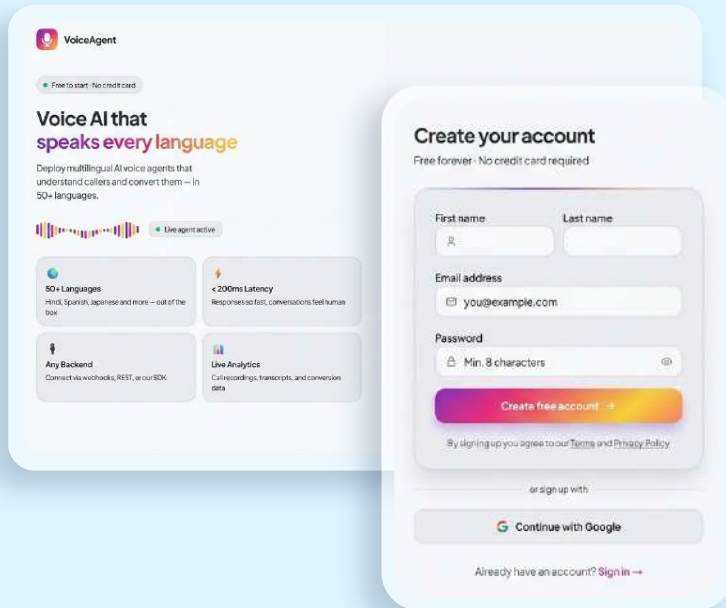

A Product By  **Nivida**<sup>™</sup>

## Deploy AI Voices That Speak Every Language.

English | Hindi | Guj | Marathi, etc.

A self-serve platform for agencies, startups & SMBs – zero ML expertise required.

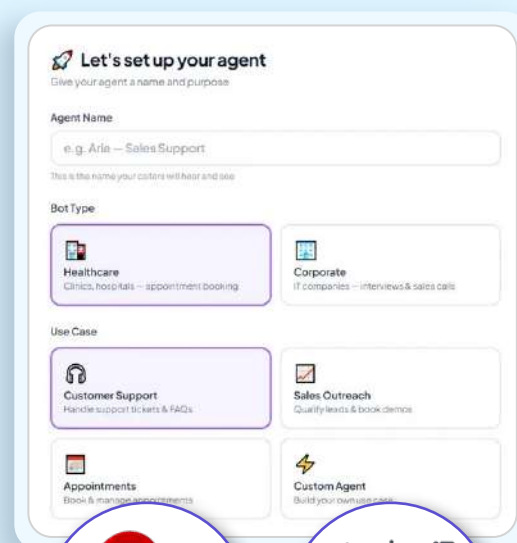

## Seamless Account Creation

- Sign up free – no credit card required
- Create account with email or Google SSO
- Go from zero to first agent in under 2 minutes
- Free plan includes 1 agent & 500 minutes/mo

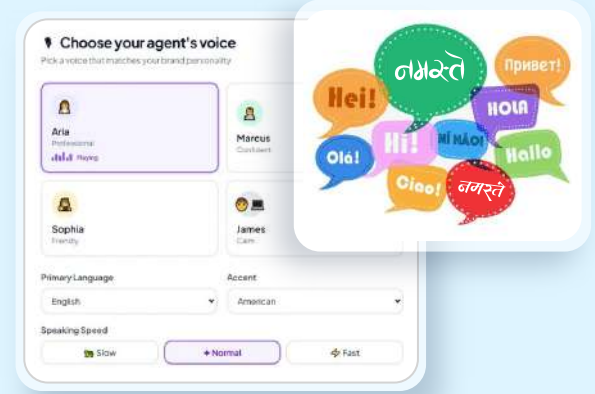

## Build Your Agent in Minutes

- Name your agent – callers hear this name
- Choose Bot Type: Healthcare or Corporate
- Select Use Case: Support, Sales, Appointments
- 5-step guided wizard – no technical skills needed

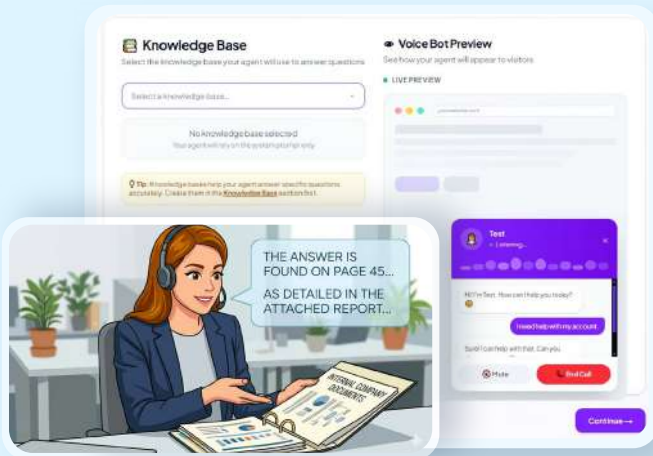

## Choose the Perfect Voice & Language

- voice personas: Aria, Marcus, Sophia, James
- Hindi, Gujarati, English & 50+ languages supported out of the box
- Set accent (American, British, Australian & more)
- Adjustable speaking speed: Slow / Normal / Fast

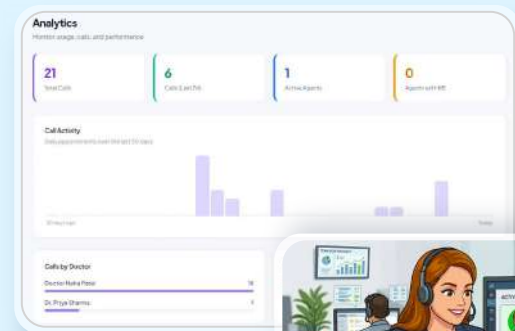

## Knowledge Base Integration

- Attach your own content to every agent
- Agent answers only from your documents
- Live preview — see widget before going live
- Connect knowledge base in one click

## Live Analytics & Reporting

- Track total calls & calls in last 7 days
- Daily call activity chart - last 30 days
- Breakdown by doctor, team, or language
- Monitor active agents at a glance

## Integrations & Phone Numbers

- Connect real 10-digit your country phone numbers
- Works with any telephony provider
- Can connect with multiple phone numbers and agents.
